## Unconference Schedule

Wed. June 21<sup>ST</sup> - Fri. June 23<sup>RD</sup>

While the highlight of many conferences is a dreary death by PowerPoint that results in little or no change back on campus or out in the world, this intimate and active gathering brings together some of the most creative, passionate, and active thought leaders and educational transformers **to share, to reflect, to learn, and create** with the aim of accelerating change in higher education and education more generally.

Join Big Beacon networkers and other like-minded and like-hearted transformers to **engage mind-to-mind, hand-to-hand, and heart-to-heart** for the first time, share stories of transformation, and exchange inspiring ideas in the spirit of the Big Beacon movement.
